Call for Pilot Project Proposals

UA Center for Transformative Research in Metabolism (TRiM)

Preference will be given to projects that seek to develop molecular tools to manipulate gene expression in Arctic Ground Squirrels and build on existing TRiM-supported research.

Letters of Intent Due: Friday, January 26, 2024

Applications Due: Thursday, February 15, 2024, 5:00 PM

Award Amount: Up to \$50,000

Funding Period: March 1 - June 30, 2024

Proposal: Follow instructions for NIH R03 proposals, upload the application to ASSIST, and submit the application preview.

Please submit a letter of intent by January 26 and the completed application by February 15 to:

Kelly Drew, Center Director, kdrew@alaska.edu, and
Denise Daniello, Program Coordinator, dldaniello@alaska.edu.

Eligible applicants include UAF and UAA tenure-track and research faculty.
